

EASY SLIDE

Our document holder EASY SLIDE features neat design, durable construction and an easy-to-use function. The aluminium made holder is wear-resistant, and holds any paper sheet or laminated document. A perfect solution when frequent, quick and simple, information update is required; as found at hospitals, schools, offices, construction sites and restaurants.

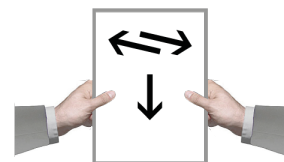

EASY SLIDE is available in standard and custom lengths, up to 3 metres.

MAIN FEATURES. Document holder with visible information display, and easy access to quick information update.

OTHER FEATURES. To create larger information boards, EASY SLIDE can be mounted in several rows on an aluminium plate.

ATTACH DOCUMENT. Lock the document in place by inserting it into the slot, pushing it up and behind the rubber strings.

DETACH DOCUMENT. Grab the document with both hands; wiggle it left and right crosswise while pulling downwards.
