

ELEGANCE

ELEGANCE is our curved sign system with low aluminium weight, designed for production of customized larger signs. The system's grooved side profiles support replaceable aluminium and plastic full-sign-size panels and panel rows. Sign information can easily be updated or replaced by using a suction cup to grab, pull and release the panels from the sign frame.

The ELEGANCE system offers a selection of end caps in brown stained wood, black plastic or aluminium, to give the signs their elegant look.

ELEGANCE is a versatile and stylish sign system, a perfect fit for larger message boards and directory signs.
